## FSEP Full Day Programme 2018

**Wednesday 21 March,  
9.00 - 4.00**  
(CWH, Lower Ground Floor  
Education Room)

All FSEP Refresher workshops  
accredited for Development Points:

6 RANZCOG PR & CRM points

8 hours towards Midwifery Council  
Continuing Education

### Topics include:

Fetal physiology, CTG interpretation & management, maternal monitoring and the complete picture.

There will be a multiple choice assessment.

Pre-reading is essential:

Pre reading recommendations are available on the FSEP website [www.fsep.edu.au](http://www.fsep.edu.au) including:

- \* [RANZCOG Fetal Surveillance Clinical Guideline](#)
- \* [OFSEP online resource](#)
- \* ["Fetal Surveillance: a practical guide"](#) (purchase from FSEP site or loan copy available from midwifery educators)

Fetal monitoring training is **mandatory** for all CDHB health professionals undertaking any aspect of EFM, and is a strong recommendation for all self-employed Lead Maternity Carers (LMC's). The CDHB minimum requirements are for a yearly update with either the FSEP Refresher or the online OFSEPlus (funded access). The full day FSEP programme is recommended for new staff or for those requiring a more in-depth update
