Both Canterbury and West Coast DHBs are likely to have NESP positions

Assessment Centres:

- Recruitment Assessment Centres are held approximately 2-3 weeks after the Advanced Choice of Employment (ACE) applications close – 9th – 15th June 2022
- The Assessment Centres are a joint NETP/NESP recruitment for Canterbury and West Coast Regions, Southern Cross Hospital, and Ryman Healthcare
- Please email us (and notify ACE) If you change your contact details after applying to NETP or NESP. For further information on ACE please refer to our NETP Website
- **Start date for NESP is 29 August 2022 and NETP is 6 September 2022**
Please do not plan to take leave during the first few months of commencing employment
- Positions offered within the CDHB are mostly permanent offers of employment. Some of the primary and community organisations may offer fixed term positions. Most NETP/NESP positions offered are full time
- Offers of employment will be sent out via email after the ACE notification process is complete

Ara Paper Undertaken by NETP Nurses may include one of the following:

- Rapid Assessment of the Acutely Unwell Patient
- Assessment of the Acutely Unwell Child
- Comprehensive Child Health Assessment
- Principles of Intraoperative Nursing
- Principles of Post Anaesthetic Care.
- Emergency Nursing Modules
- Management and Caring for People with Diabetes in the Clinical and Community Setting
- Other papers may be available in negotiation with the NetP team and the clinical area

N.B There are opportunities for individualised NETP programmes depending on clinical areas and start dates

University of Otago Papers undertaken by NESP nurses lead to a Post-graduate Certificate in Health Sciences (Nursing – Specialty Mental Health). These are:

- NURS 403 Mental Health Nursing Practice/NURS433 (specialty paper for the nurses working in Intellectual Disability services)
- NURS 409 Mental Health Nursing Practicum
- NB: *MHealSc and MNrgSc qualified nurses are credited with NURS403*

CDHB Staff Wellness and Benefits:

- CDHB employees have access to discounts from a wide range of businesses for example - health and beauty, recreation facilities and gyms, entertainment, banking plus many more.
