FSEP
Fetal Surveillance
Education Programme
Online or face-to-face

Next full day workshop 2021 Online link below

All FSEP workshops & OFSEP are accredited for professional development:

- 6 RANZCOG PR & CRM points
- 4 or 8 hours towards Midwifery Council Continuing Education

Topics for workshop & online include:

Fetal physiology, CTG interpretation & management, maternal monitoring and the complete picture.

There will be a multiple choice assessment.

Online OFSEP & resources:

<https://fsep.ranzcog.edu.au/what-we-offer/face-to-face-workshops/pre-reading>

- * [RANZCOG Fetal Surveillance Clinical Guideline](#)
- * ["Fetal Surveillance: a practical guide"](#) (purchase from FSEP site or loan copy from Midwifery Educators)

Fetal monitoring training is **mandatory** for all CDHB health professionals undertaking any aspect of EFM, and is a strong recommendation for all self-employed Lead Maternity Carers (LMC's).

The CDHB minimum requirements are a once-off face to face session for new staff or for those requiring a more in-depth update. The online OFSEP module is compulsory once every two years for all other staff and time will be reimbursed on presentation of certificate.

Booking info:

Please book via the HealthLearn website: www.healthlearn.ac.nz

For advice on booking or for further information please contact:

email education.mat@cdhb.health.nz or phone 364 4730 (internal extension 85730)

Core Midwifery Staff: A place will be allocated by your Education Team.
