Date	Time	Venue	Room
(March date cancelled)	08.15—5.00	Education Centre Manawa Building 276 Antigua Street	311
Tuesday 24th May			314
Thursday 11th August			314
Tuesday 27th September			314
Thursday 24th November			314

- ◆ A full day training course to develop your skills and knowledge in providing newborn life support.
- ◆ A combination of lectures, skills stations, scenarios and assessment.
- ◆ Enhance your learning in a supportive team of midwives, nurses and doctors from maternity and neonatal practice areas.

We recommend that CDHB staff who attend births and provide newborn life support attend the NZRC NLS course once **every 3 years**.

For midwives, compulsory education for the Midwifery Council Recertification Programme can be *either* NLS course or a newborn resus refresher (as part of Emergency Skills Day or PROMPT)
