Thursday 20 April			314
Tuesday 20 June			314
Thursday 21 September			314
Tuesday 21 November			314

- ◆ A full day training course to develop your skills and knowledge in providing newborn life support.
- ◆ A combination of lectures, skills stations, scenarios and assessment.
- ◆ Enhance your learning in a supportive team of midwives, nurses and doctors from maternity and neonatal practice areas.

We recommend that health professionals who attend births and provide newborn life support attend the NZRC NLS course once **every 3 years**.

For midwives, compulsory education for the Midwifery Council Recertification Programme can be *either* NLS course or a newborn resus refresher (as part of Emergency Skills Day or PROMPT)
