

# 2023 Emergency Skills Refresher for Midwives and Maternity Nurses

Update in **both maternal *and* newborn resuscitation** as well as management of **childbirth emergencies** (e.g. haemorrhage, shoulder dystocia, breech, cord prolapse). Attendance at this 8-hour workshop fulfils **annual mandatory requirements** for both Midwifery Council *and* Te Whatu Ora CPR competency. Annual emergency skills competency can alternatively be achieved at a PROMPT course.
