

## **FSEP** Fetal Surveillance Education Program **Webinar**

**Tuesday 7 March 2023 (Manawa Rm 101)**  
**Tuesday 14 November 2023 (Manawa Rm 303)**  
**1000-1300**

From home via Zoom  
or from Manawa, 276 St Asaph Street, Christchurch

**Webinar:** The normal CTG and CTG case reviews

**Participants:** New staff and clinicians seeking extra CTG practice.

**Topics:** The normal CTG; excessive uterine activity; maternal heart rate monitoring; overview of decelerations; CTG based case reviews. Anonymous online polling questions to gauge participant understanding and guide the education.

**Venue:** Attend remotely using own computer (link sent nearer the date) or at Manawa where computers provided/bring your own device.

**Pre-reading:** OFSEP– [Online Fetal Surveillance Education Programme](#)

Fetal monitoring training is **mandatory** for all Canterbury Te Whatu Ora health professionals undertaking any aspect of EFM, and is a strong recommendation for Lead Maternity Carers (LMC's).

Minimum requirements: face-to-face lecture or webinar for new staff or for those requiring a more in-depth update followed by two-yearly OFSEP online module.

OFSEP time will be reimbursed on presentation of certificate.

This webinar is approved education for Midwifery Council Recertification Programme

Bookings via the HealthLearn website: [www.healthlearn.ac.nz](http://www.healthlearn.ac.nz)

Core Midwives will be allocated a place by the Education Team or on request via Midwife Manager

Fee: No registration fee for Canterbury employed staff and Canterbury LMCs

Non-Canterbury clinicians \$150. Invoice provided. Payment is required prior to attendance
