

Simulation Instructor Course

Canterbury District Health Board are proud to offer this internationally recognised, 4 day simulation Instructor course, working in partnership with the Boston based Centre for Medical Simulation (CMS). The course is designed for simulation educators who seek to create high-quality healthcare simulation programs.

This course immerses healthcare simulation instructors in a multi-method course wherein participants learn how to teach clinical, behavioural, and cognitive skills through simulation. It draws from the disciplines of aviation, healthcare, psychology, experiential learning, and organizational behaviour. Participants explore simulator-based teaching methods applicable across the healthcare education spectrum, including undergraduate and graduate medical, nursing and allied health domains. The daily formats vary and include; simulation scenarios, lectures, small and large group discussions, and practical exercises with feedback..

Tuesday 5th March—Friday 8th March 2019

Venue: Manawa whenua Simulation Centre, Level 2, 276 Antigua Street, Christchurch

Cost: \$NZ 7, 000 excl. GST per person

CRITERIA FOR SELECTION

- Places will be allocated with an emphasis on a multi-professional team
- First registrations received will be offered first places and a payment due date
- Received payment with written confirmation secures workshop place
- Non payment by due date will see that offer passed to another candidate
- After the 4 day workshop, all attendees will have the opportunity to work with a qualified simulation instructor to support and debrief you following your first session
- Access to a computer is required to download learning material and view video clips

Right care and support, by the right person, at the right time, in the right place, with the right patient experience
